

This letter is to serve as a complaint against The Sinclair Broadcasting Group, Inc. in response to recent news that they plan to use their broad reach (62 stations) to host an Anti - Kerry campaign in the two weeks prior to the election. Sinclair uses public airwaves free of charge, and is obligated by law to serve the public interest. I beleive Sinclair Broadcasting is abusing the public interest to further thier own corporate agenda. This abuse is a clear example of the dangers of media consolidation.
